PROGRAM OUTLINE

1 OVERVIEW

This 3-day program is designed to meet the needs of the leaders in your organization. Customized leadership modules are used to build a program most relevant to participants' requirements in the workplace. We use best-in-class global leadership concepts and practices; and the session is highly practical and fun. There is post-training follow-up built-in to the program, to facilitate learning transfer to the workplace. We use implementation plans, tools, resources and support after the session.

This workshop will strengthen the leadership competencies for any of the following groups: a) Aspiring Leaders b) People Leaders (first & second level leaders) and c) Functional & Business Leaders.

2 SESSION HIGHLIGHTS

- Psychometric tools and inventories that enhance self-awareness and highlight strength & development areas
- Practical tools that can be used in the workplace
